

A DAY ON THE FARM

Animals need different things to help them to survive. Farmers look after their animals to help them do this. What different jobs does a farmer do? Write a story about a farmer's daily routine.

Imagine you are a farmer. What is your name? Think about what time you wake up and what you do first. What different animals do you have on the farm? What other jobs do you have to do during the day?

Name:

Age:

Where do you live?

What animals do you have on the farm?.....
